EXPRESSIONS  
Model United Nations  
2024

22 & 23 JULY 2024

# ABOUT THE CONFERENCE

Expressions Model United Nations (MUN) conference is an annual event that brings together talented and passionate high school from around the world to engage in lively and stimulating debates on critical global issues. This conference provides a platform for students to showcase their analytical and critical thinking skills, as well as their ability to negotiate and collaborate effectively with their peers. With our fourth edition, we aim to create a difference.

Expressions MUN features a diverse range of committees, each addressing different topics and issues of international importance. These committees include the Historic United Nations Security Council, the United Nations Human Rights Council, and the All India Political Parties Meet, among others. The conference offers delegates an unparalleled opportunity to explore and engage with these topics, while also enhancing their public speaking, research, and leadership skills.

At Expressions MUN, delegates engage in thought-provoking debates, negotiate resolutions, and network with like-minded individuals from across the globe. They will also have the chance to attend informative and inspiring keynote speeches from renowned experts in their fields.

With its unique blend of intellectual rigor, global awareness, and cultural exchange, Expressions MUN promises to be an unforgettable experience for all participants.
